Re: Freedom of Information Act Request No: EPA-HQ-2014-005515

This letter is to respond to your request for a copy of a successful award proposal for CFDA 66.952 for Smart Growth Implementation. I responded on February 27, 2014 to the same request under FOIA EPA-HQ-2014-002288 for a copy of an award that fits your criteria. You may still access it in the FOIA on line system.

Pursuant to 40 C.F.R. 2.204(d)(1)m part of your request is being initially denied because further inquiry by EPA is required before a final determination can be made. At your request, we will consult with the third parties in connection with the withheld information in these records and the EPA Office of General Counsel will issue a final confidentiality determination. Should you wish to request access to the withheld information, you may appeal it by addressing your appeal to the Freedom of Information Officer (1105A), United States Environmental Protection Agency, 1200 Pennsylvania Avenue, Room 2315, Washington, D.C. 20460. FAX: (202) 566-2147, E-mail: [hqfoia@epa.gov](mailto:hqfoia@epa.gov). The appeal must be made in writing, and it must be submitted no later than 30 calendar days from the date of this letter. Your appeal should refer to the Request Number listed above, the date of this determination, and my name, title and address. The Agency will not consider appeals received after the 30 calendar day limit. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

This letter concludes our response to your request. If you have any questions concerning this response please me at 202-564-5326.

Sincerely,
